AAUW Branch Meeting Saturday, May 10, 11:30 AM Program Information

This month's program will feature the recipients of three of our Branch's special projects sponsored through the Myra Long Scholarship Fund. Las Distinguidas Awards, chaired by Carol Shupek with the aid of her committee, will be given to exceptional women who have made significant and noteworthy contributions in their community. This year's winners are Rosalie Ray Dannenbaum and our own Shirley Stewart.

The ten recipients of the Tech Trek Scholarships will be introduced by the chair, Patricia Dudley. These girls will have the opportunity to attend the one-week Tech Trek Camp at Whittier College this summer. We will also have the opportunity to hear the winner of the Speech Trek competition chaired by Kristine Yeseta. Tanya Ittimeykin from Cal High will deliver her speech: "Women at the Top...why not?"

Further details about all of these programs and winners may be found in separate articles in this newsletter.

A TIME TO RECOGNIZE SOME REMARKABLE FEMALES

It is always a pleasure to recognize and honor some truly incredible females. On May 10 we will spotlight our Tech Trek and Speech Trek girls and our Las Distinguidas recipients. The meeting will be in the ballroom where we had our December meeting. Luncheon is \$20 and is at 11:30. The menu will feature an All American Buffet, mixed green salad, home made chips, and a burger bar: grilled prime burger patties or veggie burgers, Swiss and cheddar cheese, caramelized onions, bacon, lettuce, tomato, onion rings, mayonnaise and mustard, all on a Kaiser bun. Dessert is strawberry shortcake. Beverages are ice tea and coffee. Table decorations will be provided by Morning Book and Mystery Mavens.

Many members and guests will be at this meeting, so please arrive early. All honorees and their guests should arrive at 11 AM for picture taking. When making reservations use our email address:

whittieraauwreserv@yahoo.com or call me, Ellen Peck, at 562-943-4679. The deadline for making reservations is May 4. If you email your reservation, remember I cannot send a reply as I have in the past. If you use my answering machine please leave your full name and telephone number.

THE PRESIDENT'S MESSAGE

By Sharon Heck

My thanks to Patricia Cuocco, president-elect, for standing in for me at the April 5 meeting. I had a conflict and was very sorry to miss our meeting. I heard the program on Fashion Through the Ages was excellent. The luncheon of a high tea was wonderful with our silver tea service for all to see.

Patricia and I spent April 10-13 attending the AAUW-CA Convention at the LAX Marriott. On the 10th we served some volunteer hours preparing materials for the event. On Friday through Sunday we attended workshops, meetings and meals, hearing many speakers. At the Sunday breakfast, I spoke about our Math/Science Conference for 8th grade girls. Patricia prepared a PowerPoint to accompany my talk and it really enhanced it. She included photos and lots of information. There was great interest in our event, and Patricia deserves much of the credit.

Our May 10 Branch meeting promises to be an exciting one. Our Las Distinguidas award will be given to two very deserving women, we will hear from our Speech Trek winner and our ten Tech Trek scholarship winners will be our guests. This will be a very exciting meeting with a delicious luncheon at the Radisson. Come join us!

A very special thank you to the nominating committee who worked collaboratively and diligently to establish the slate of nominees for the 2014-15 Greater Whittier Area AAUW Board. I truly believe that we have a strong and dedicated slate of nominees. A vote will be taken at the May Branch meeting. Prior to the vote, members will be given the opportunity to nominate an additional person for an office, with the potential nominee's prior permission. Those participating on the nominating committee were: Susan Halliday, Sharon Heck, Patricia Cuocco, Shirley Stewart, Kaye Kidwell, Barbara Gile, Maura Greeley and Deirdre Shatzen.

MODERN TRENDS

Modern Trends in Literature will meet at the home of Dolores Seidman, 254 Bloom Dr., Monterey Park, on Thursday, May 22 at 7 PM. The Buddha in the Attic, by Julie Otsuka, will be reviewed by Annette Lauritzen. The novel tells the story of a group of young women brought from Japan to San Francisco as picture brides nearly a century ago. In eight unforgettable sections, The Buddha in the Attic traces the extraordinary lives of these women, from their arduous journeys by boat, to their arrival in San Francisco and their tremulous first nights as new wives; from their experiences raising children who would later reject their culture and language, to the arrival of war. It is a story about identity and loyalty, and what it means to be an American in uncertain times. Refreshments will be provided by Georgine Sweeney. Directions to Dolores' home: Going west on Mar Vista; turn right onto Painter, and left onto Beverly Blvd. From Beverly, turn right onto North Wilcox, right onto Coral View, and right onto Bloom. Dolores' home is on the right.

Trish Carlson and Joyce Paul

MORNING BOOK

We will be meeting on Monday, June 2, at 10 AM to discuss Sky of Red Poppies, by Zohreh Ghahremani. The novel begins with a casual friendship between two schoolgirls coming of age in a politically divided 1960's Iran under the rule of the Shah. It takes its readers on a fascinating journey through the landscapes of Iran and provides a glimpse into the far too often overlooked side of Iranian culture and history with a thoughtprovoking narrative that provides clues to Iran's past as well as present. Dolores Seidman will be leading our discussion at Judy Flanders' (562-692-7930) home. Colleen Tan will bring refreshments. Directions to Judy's house, 12430 Floral, Whittier: From Whittier Blvd., north on Painter; west (left) on Beverly Blvd.; north (right) on Pickering (stoplight); west (left) on Floral. 12430 is the 5th house on the left. Reminder: Morning Book will have one more meeting this year, on Monday, July 28, where we will discuss To Be Sung Underwater, by Tom MacNeal, at Ruth White's house. Carole Duff is the cohostess. Ann Topion will lead the discussion. Look for further information in

Good Night, Mr. Holmes, by Carole Nelson Douglas

Reviewer: Gwen Woirhaye

Miss Irene Adler is an American opera singer whose voice can charm the angels. A great beauty with a mind of her own, she found herself matching wits with Sherlock Holmes when fleeing the unwanted attentions of the Crown Prince of Bohemia...and came away the victor, the only woman ever to have outwitted the Great Detective. But with her reputation in disarray, she must disappear from society. Irene chooses to use her intellect, becoming an agent of inquiry. She succeeds smashingly, gaining such clients as Oscar Wilde and Bram Stoker. Alas, her intellect is no shield against matters of the heart, and when handsome barrister Godfrey Norton barges into Irene's life, he presents her with a puzzle too delicious to ignore....and with the possibility of tangling once again with the great Holmes himself.

Meet at Marie Callender's restaurant, 9829 S. La Serna Dr., Whittier (near Whittier Blvd.) at 6:30 PM in the Library Room.

Reservations - Carol K. Anderson 562 -943-0728.

PUBLIC POLICY

Patricia Cuocco

AAUW is justifiably proud of its long history of providing opportunities for women to attend college. We know that a good education opens the door to a world of opportunities. What we may not know is that today, the price of a college education includes a one in five chance of sexual assault. In calling for the government to devote more resources to investigating and enforcing laws against sexual violence on campus, Senator Kirsten Gillibrand (D- New York) stated, "It is simply unacceptable that going to college should increase your chance of being sexually assaulted." Not that the statistics for the general population are all that great! The home page of the RAINN, the Rape, Abuse and Incest National Network says one in six American women has been the victim of a an attempted (2.8%) or completed rape (14.8%) in her lifetime. You don't have to be a statistician to realize that increasing the risk over a short period of time makes colleges distinctly dangerous places.

In 1986, Jeanne Clery, a 19 year-old Lehigh University freshman, was raped and murdered in her campus residence hall. The backlash against unreported crimes on numerous campuses across the country led to the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. Any campus that participates in federal financial aid programs must keep and reveal crime statistics for the campus and nearby areas. Recently the media has focused on the under-reporting of sexual violence statistics by colleges and universities.

Why is sexual violence so prevalent on campus? Why do we hear horror stories of victims having to see their attackers go unpunished? Why is there so much blaming the victim or slut shaming going on? What is the role of alcohol and drugs in this problem? These questions are more suited to dissertations (and perhaps a branch program) rather than newsletters, so why bring it up? I am hoping to remind you that the program exists, point you to some resources to share with the young women in your life and ask you to take an active interest in what is happening on your local campuses and your alma mater. AAUW's national website has a guide for combatting sexual violence. See http://www.aauw.org/2014/04/09/fight-campus-sexual-assault/. You can research the statistics for any college or university at http://www.ope.ed.gov/security/. If the statistics aren't good write to the president and ask what she or he is doing to resolve the issue. Write a letter to the editor of the local newspaper to bring attention to the problem. Stay aware and stay active.

YOU CAN PAY YOUR DUES ON LINE!!!!

Our Branch is now able to pay our annual dues on line using a credit card. I did it this morning so I could give you firsthand information. You need your membership number, which can be found above your name on the Outlook magazine. Carol K. Anderson handed out your numbers to those who attended the April 5 meeting. Call me if you can't find your number. 562-698-0476. Here are the steps for paying your dues:

1. Google AAUW.org
2. Click on Member Tools
3. Login (Use your member number and password or go down to First time logging in? You will need to register. Click on need to register. You will create a password.)
4. On next screen choose Member Service Database (MSD) and click on Enter here.
5. Click on Enter Member Services Database
6. On the left near the bottom you will see Membership Payment Program (MPP) and under that click on Renew My Membership.
7. You will see a page with your information. Scroll down to Membership Renewal Dues Payment Process (by Credit Card). Click the dot to the left of your type of credit card and fill in the blanks.

I received a receipt by email within the hour, and a copy of the receipt was sent to the Branch financial officer. The process is very safe, complete - a very easy way to pay my dues. I recommend it to everyone with a computer and a credit card!

TECH TREK

Tech Trek is a science and math camp designed to develop interest, excitement and self-confidence in young girls who will enter eighth grade in the fall. It features hands-on activities in science, technology, engineering and math (STEM) and related subjects. This summer our Branch will be sending ten girls to Whittier College for one week from June 15th through June 21. Five members from the Greater Whittier Area Branch (Ann Chambers, Patricia Cuocco, Pat Dudley, Linda Gatons, Maura Greely) interviewed 17 girls who had been nominated by a math or science teacher from their school of attendance and had submitted an essay on "Should you choose a career in science, technology, engineering or math (STEM) fields, what career would you choose and why?" All of the candidates expressed math and science as being important to them as students and they were committed to furthering their education in these areas.

Through outreach of the Myra Long Scholarship Fund (MLSF) our Branch received grant money from the Quaker Chemical Company, as well as through its fundraiser efforts: Dining for Dollars, MLSF Star Trek letter, sale of frilly scarves made by Gwen Woirhaye, AAUW member volunteers at Pasadena Showcase House and donations from AUW members to MLSF designated to be used for Tech Trek.

Our ten campers and with a guest each who have been invited to attend our May luncheon are: campers from Rowland Unified School District (Alvarado Middle School) Emma Maravilla; South Whittier School District (Graves Middle School) Amanda Gomez, Cristina Montero; Santa Fe Springs School District (Lake Center Middle School) Angela Flores, Aileen Gonzalez, Annahi Paez; Los Nietos School District (Los Nietos Middle School) Miranda Diaz-Infante, Roxanne Flores, Icess Franco, Paola Ruiz.

In support of the Whittier Camp, GWA AAUW members are being asked to collect newspapers during the month of May for a Build It camp activity. Newspapers may be dropped off at Pat Dudley's home at 15718 Lindskog, above Whittwood Mall. Cross streets are Whittier Blvd. and Santa Gertrudes North). You can also call Pat at 562-947-4269 during the first week in June for pickup or contact a member of the committee named above.

AAUW FUNDS

Please consider making a tax-deductible donation to LAF to help balance the scales of justice for women. Our Legal Advocacy Fund and AAUW support a variety of cases that involve women and women's rights. Some of these are:

1. We have talked before about the Legal Advocacy Fund supported lawsuit brought by survivors of military sexual assault. This case was dismissed by the U.S. District Court for the District of Columbia. The court held that the plaintiff's injuries were "incident to their military service" and that the court was prevented by legal precedent from ruling on a military matter. The case has been appealed to the D. C. Circuit Court but as yet, no ruling as been made.

- 2. AAUW has been active in ensuring that the students' rights under Title IX are enforced. The U.S. Department of Education cannot enforce Title IX alone and the work of AAUW members is crucial. AAUW members investigate Title IX compliance, promote more just sexual assault policies and help teach students, parents, educators, coaches and administrators about Title IX requirements.
- 3. AAUW supports a law intended to protect victims of domestic violence. The statute bars anyone convicted of a misdemeanor crime of domestic violence from possessing a gun. The statute defines as a misdemeanor (1) that is committed by someone who has had a child with the victim of the assault and (2) that includes as an element of the crime, the use or attempted use of force or the threatened use of a deadly weapon. The law closes a significant loophole. Previously only those convicted of felony domestic assaults were barred from gun possession.

These are only three of the many cases supported by AAUW and/or LAF. The above information was taken from the online publication *LAF Express*.

LAS DISTINGUIDAS

At the May meeting of the Greater Whittier Area AAUW, two amazing women will be presented with the Las Distinguidas Award. Since 1967 this award has been presented to women who have made significant and noteworthy contributions in one or more areas of business, education, the arts, community service, politics and their professions. This year we will honor two outstanding women.

Rosalie Ray Dannenbaum was nominated by both the Whittier Historical Society and the Whittier Museum and also by Soroptimist International of Whittier, Inc. Rosalie has held positions in both these organizations and others as well. She has won numerous awards and has been a highly successful businesswoman in the Whittier community making numerous contributions to the city with her talent and hard work.

Shirley Stewart was nominated by both the Greater Whittier Area AAUW and also by the Year Around Garden Club. Shirley dedicated thirty years of her life to improving conditions for patients and workers in medical care facilities. She has also published, held office in numerous organizations, including the two that nominated her, and received several awards.

To learn all that these women have accomplished, you will need to attend the meeting. You will be amazed by what they have achieved. They are truly deserving and truly distinguished.

A BELATED MESSAGE TO EVERYONE

AAUW Members and Volunteers, We Salute You!

Every day, we ask you - our members and volunteers - to make an effort to empower women and girls. Not only do you do this, but you do it well! From leading our national board, to planning state and national conventions, holding fundraisers, and pulling off powerful local programming, you do so much to help realize AAUW's mission, and we cannot thank you enough.

With that in mind, AAUW's national staff has designated the last week of March as Member and Volunteer Appreciation Week. While we couldn't possibly cram all our thanks into one week, we want to make sure you know how much we appreciate all you do to empower women and to make AAUW the powerful community it is.

Thank you, thank you, thank you!
---AAUW national staff

TREASURE HUNT

WHERE'S THE SILVER?

In planning last month's high tea, we discovered that many of our silver items were missing – one large serving tray, two or three medium trays and several small trays. Please contact Ellen Peck, 562-943-4679 or Cpeck4@earthlink.net, if you are storing these items or have any information regarding their location.

Thank you for your help with the search!
