NOVEMBER

BRANCH MEETING
Saturday, November 12
11:30 AM
Elks Club, Whittier

AAUW supports education and personal improvement for everyone. With that in mind, our speaker for November 12th is Oscar Hernandez, chief professional officer of the Boys and Girls Club of Whittier. To quote Mr. Hernandez, "Research has shown that the more kids go to Boys and Girls Clubs, the less likely they are to engage in at-risk behavior and the more likely they are to do better in school and do better socially." Mr. Hernandez has focused the after-school programs around STEM -- science, technology, engineering and math -- activities that align with the state's academic standards. This will be a very informative program.

Lunch will be stuffed pork chops, mixed green salad, scalloped potatoes, peas and carrots, dessert, coffee, tea and water. Vegetarian meals are Vegetable Pasta Florentine and Fettuccine Alfredo (advance notice required). A Chef's Salad with Grilled Chicken Breast is also available with advance notice. **Sandwich entrees for November lunch:** Grilled Portobello sandwich with potato salad and Albacore tuna salad sandwich with potato salad (advance notice required). Enjoy table decorations provided by Positive Past Presidents.

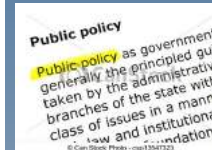

Reservations for the Branch meeting are due by Wednesday, November 9, noon. Please send an email to DeDe Shatzen at aauwrsvp@gmail.com (alternate email: Lsecret@earthlink.net). If you are without email, call DeDe at 310-617-7768. Your reservation will be confirmed. Cost of lunch is \$20.00. We will be in the Ballroom. The entrance to the Ballroom and parking are behind the building. Look for the AAUW signs. Elks Lodge is located at 13620 Whittier Blvd., Whittier.

PRESIDENT'S MESSAGE

At the time of this writing I do not know the outcome of this election year. We will all breathe a sigh of relief when it is all over or be extremely preoccupied depending on the outcome. I find great comfort knowing that as AAUW women, regardless of the outcome, we will continue firm in our commitment to move women's issues forward, perhaps even with greater passion and purpose.

I am proud of the women that make up the AAUW membership and the important work that we do. Our members have a common goal, to encourage and effect equity for women in all areas of life, access to education, pay equity and professional advancement. In fact, our membership strengthens AAUW to be the vehicle that shines a light on sobering social issues—sexual harassment, domestic violence, human trafficking and gender bias.

As a member of AAUW, I find that my voting impact is amplified because I belong to an organization that gives voice to issues of personal importance, including breaking down gender barriers and building a better future for young girls who are just now beginning to discover their own voice and power.

What an honor to be a part of AAUW!

Dolores Gonzalez-Hayes

IN TIME FOR THANKSGIVING DESSERT Eat Pie! Raise Money for GWA AAUW

The Branch is raising funds by selling Marie Callender's pie vouchers. The vouchers make great gifts and are handy when you are planning desserts for holiday dinners or last minute brunches. They are an easy and delicious way to support Greater Whittier Area AAUW and are being made available to members at a great value:

1. We are selling each voucher for \$12. The value of each voucher is \$14.50.
2. Vouchers are used to purchase any of Marie Callender's traditional pies, such as pumpkin, apple, French apple, razzleberry, cherry and baked peach.
3. If you choose to purchase a more expensive pie with the voucher, you simply pay the difference (remember, your voucher is worth \$14.50).
4. The vouchers have no expiration date!
5. The vouchers are redeemable **only** at the following nearby Marie Callender's Restaurants:
 - a. West Whittier (across from PIH)
 - b. La Habra (Whittier Blvd., between Euclid and Harbor)
 - c. Puente Hills East Mall (Albatross Road near Costco)

Purchase your vouchers at the branch meetings from Lucinda Halley, Treasurer, or call Kaye Kidwell, 562-902-8207.

PUBLIC POLICY

Information from AAUW-CA- Website:

Last session Stronger California Advocates Network of which AAUW CA is a member was instrumental in the passage of SB 358, the Fair Pay Act. However, the Governor vetoed two other bills related to Equal Pay. These two have been reintroduced this session with AAUW CA as co-sponsor:

- **AB 1676 Campos**, would limit an employer from seeking salary history information about an applicant for employment, and will codify case law declaring it illegal for an employer to rely solely on one's prior salary when establishing the new rate.
- **AB 1890 Dodd**, requiring large state contractors to submit plans for fighting gender pay inequities to the state, including the Commission on the Status of Women and Girls for analysis by their new California Pay Equity Taskforce.
- A third **Pay Equity bill**, co-sponsored by AAUW CA, is **SB 1063 Hall**. Black and Latina women continue to earn considerably less than Caucasian women, and SB 1063 would prohibit wage disparities based on race or ethnicity in addition to wage disparities due to "opposite sex" covered by SB 358 (Jackson, 2015).

Additional 2016 bills on which AAUW CA has taken positions can be found at aauw-ca.org. This site is updated daily so that members can follow the progress of these bills that are important in working to achieve equity for women and girls.

You can participate in the legislative process by signing up for Action Alerts which are direct messages sent to legislators when bills are up for critical votes, or are going to the governor. Go to www.aauw.org to sign up for Action Alerts, which will enable you to receive notices to act from both national AAUW and AAUW CA.

Dolores Seidman, Public Policy Chair

UPCOMING EVENT

AAUW Vice President for Government relations, Lisa Maatz, will speak at a luncheon on Saturday, November 19, from 11:00 AM to 2:00 PM at Almanson Court, 700 S. Almanson St., Alhambra. Lisa is in constant contact with government officials and legislators regarding public policy issues vital to AAUW and is a delight to hear.

Cost is \$35 including lunch. Arrangements are pending to register online through aauw-ca.org. Contact Dolores Seidman, Public Policy Chair for further information as it becomes available.

HOW TO MAKE YOUR AAUW ELEVATOR PITCH WITH POWER!

An elevator pitch is a brief, persuasive speech that you use to spark interest in what your organization does. Elevator pitches should be interesting, memorable, and succinct. They also need to explain **what** makes your organization unique and **why**. Here is our simple guide to writing your own speech. Once you're done, you'll have a personalized tool to use next time you're talking to a potential member!

1. **Write down four things about AAUW that you would like to share.** What makes AAUW memorable to you? What projects or issues is AAUW championing that are important to you?

2. **Pick the three most important points you wrote down.**

Why are they the most important points? Condense your answer to the question into two or three sentences.

3. **Add your full name and where you're from** before these two or three sentences to serve as your introduction and opening remarks.

4. **Make sure to also make an "ask" at the end.** Every elevator pitch should conclude with a question that needs a definitive answer, whether it's "Would you like to be a part of our organization?" or "Will you attend our event on Saturday?" or "Can we add you to our newsletter list?"

5. Here's your chance to pitch with power! **Write out your AAUW elevator pitch below.**

6. **Now try your elevator speech with a fellow member.** Each of you should share what really inspires you and what could be better. Keep practicing until you are comfortable inviting someone to be a member of the AAUW community.

MYRA LONG SCHOLARSHIP FUND

The Myra Long Scholarship Fund Committee will meet on Tuesday, November 1 at 9:30 AM at the First Friends Church on Philadelphia Street in Whittier.

You need not be a committee (voting) member to attend. All are welcome to come hear what we are doing and planning. If you are NOT a committee member and plan to come, please let Patricia Cuocco patricia@fullerton.edu know.

HOLIDAY BOUTIQUE

It's that time of the year. We will be holding our annual Holiday Boutique concurrent with our December 10 Branch Meeting. Funds raised at the Boutique go to fund the administration of the GWA-AAUW Branch and a portion goes to AAUW Fund.

Remember that this year, we are asking for donations of baskets that are already made up, wrapped and ready to go. Each basket should have a typed list of items in the basket with their retail value, as well as the total retail value of the basket. Please let one of the Boutique Elves (see below) know that you or your group are donating a basket.

We are also asking that you actively solicit merchants with whom you do business for baskets, items or gift cards. Gift cards from restaurants, recreational facilities and specialty markets are particular favorites. **We are also soliciting hand-made arts and crafts; fine art; fine or good costume jewelry; wine and liquor; specialty baked goods or cooking mixes; antique/collectibles; tickets for events or services, new housewares, etc.** We are NOT collecting white elephants, faux jewelry or used housewares or items.

IMPORTANT: As we did last year, we will have silent auction items, direct sale items and many items (all valued at \$30 or more) in our opportunity drawings. In order to save yourself time and cramped writing hands, bring lots of your pre-made address stickers. (We all get those in the mail from various charities.)

Ask questions of any of the Boutique Elves: Ann Chambers, Diana Clark, Patricia Cuocco, Pat Dudley, Maura Greeley, Dolores Gonzalez-Hayes, Sharon Heck and DeDe Shatzen.

AAUW Math/Science Conference for 8th Grade Girls

Our 24th Annual Math/Science Conference for 8th Grade Girls will be on Wednesday, January 25, 2017 at Whittier College. We are unable to use Villalobos Hall because of student orientation, so we have rented The Shannon Center for one hour for our opening session, and it seats 400 people. I believe this will be a great improvement.

I have contacted the schools and have 26 schools committed to attend with up to 14 students from each school. The student total will be 360 and with the advisors there will be 386 in Shannon. We will be able to use some of the classrooms in the newly renovated Science Building. I have signed a contract with Whittier College and with The Shannon Center.

Twenty speakers have been contacted as of this writing, and eight have responded positively. In mid November I will be sending the list of speakers to each school advisor so that they can send me their student's names, and their choices of five speakers each. I try to give them 3 of their choices. They will return their lists to me in early December so I can set up the 30 workshops. Each young woman and advisor will hear six speakers.

Dolores Seidman will again be in charge of recruiting volunteers. She will have a list at our November 12 Branch meeting, so please let her know your willingness to serve. Her email address is: deeseidman@gmail.com.

I truly believe this will be another wonderful STEM event for these young women from our surrounding communities.

Sharon Heck, Math/Science Chair

November is both Alzheimer's Awareness Month and Diabetes Awareness Month – two devastating diseases to which we are particularly vulnerable as we age. For more information you can go to <http://www.alz.org> and www.diabetes.org/.

May I also suggest a very simple way to help in the fight against these diseases? Go to <http://www.hungersite.com>. You will notice tabs for Diabetes, Alzheimer's and several other causes (Hunger; Animal Rescue; Breast Cancer; Autism; Veterans). You can click every day on each of the tabs at absolutely no cost to you. Because the sites have ads from various vendors, the vendors pay the organizations for the number of daily clicks (in Internet parlance – eyeballs). You can even set up a reminder to come through your email every day. Clicking on ALL of the sites takes a total of about one minute daily – really worth it to fund some good causes in a completely painless way.

SECTION INFORMATION

Morning Book

Please join us on Monday, November 28, at 10AM, as we meet to talk about *The Summer Before the War*, by Helen Simonson. “Helen Simonson has outdone herself in this radiant follow-up to *Major Pettigrew’s Last Stand*. The provincial town of Rye, East Sussex, in the days just before and after the Great War is so vividly drawn it fairly vibrates. The depth and sensitivity with which she weighs the steep costs and delicate bonds of wartime—and not just for the young men in the trenches, but for every changed life and heart—reveal the full mastery of her storytelling. Simonson is like a Jane Austen for our day and age—she is that good—and *The Summer Before the War* is nothing short of a treasure.” Linda Harris will lead our discussion. We will meet at Ann Topjon’s, and Harriet Cornyn will provide refreshments. I look forward to seeing you!

Directions to Ann Topjon’s house: 5654 Palm Ave., Whittier. From Whittier Blvd., go north on Painter Ave.; left on Broadway; right on Palm Ave., past Palm Park. Our home is 5 houses past Floral Ave. and Dexter Middle School, on the right,

Modern Trends in Literature

Telling the Bees by Peggy Hesketh is the Modern Trends book for Thursday, November 17, meeting at 7 PM at the home of Carol Shupek; Georgine Sweeney is doing double duty as co-hostess and reviewer.

A lifelong beekeeper, Albert Honig is deeply acquainted with the ways and workings of the hives. He knows that bees dislike wool clothing and foul language; that the sweetest honey is made from the blooms of eucalyptus; and that bees are at their gentlest in a swarm. But Albert is less versed in the ways of people, especially his beautiful, courageous, and secretive friend Claire.

A friend and neighbor since childhood, Claire was a hovering presence—and then a glaring absence—in Albert’s life, a change that has never been reconciled. When she is killed in a seemingly senseless accident during a burglary gone wrong, Albert is haunted by the loss. In the aftermath of this tragedy, he is left to piece together the events of their lives to attempt to make sense of their shared past and the silence that persisted between them for a decade before her death. What Albert comes to learn is that Claire’s secrets were far darker than anything he could have imagined...

Directions: Hadley east from Painter to Southwind; left to 6204.

Remaining Books: *Ghost Bride*, *La Rose*, *Homegoing*, *Me Before You*, *The Kitchen House*, *Everyone Brave is Forgiven*.

Mystery Mavens

Edge of Evil by J. A. Jance
Reviewer: Harriet Cornyn

With a divorce from her cheating husband of ten years pending and her high-profile broadcasting career abruptly ended by TV executives who wanted a “younger face,” Alison Reynolds feels there’s nothing keeping her in LA any longer. Summoned back home to Sedona, Arizona, by the death of a childhood friend, she seeks solace in the comforting rhythms of her parents’ diner, the Sugarloaf Café, and launches an on-line blog as therapy for others who have been similarly cut loose.

But when threatening posts begin appearing, Ali finds out that running a blog is far more up-close and personal—and far more dangerous—than sitting behind a news desk. Suddenly something dark and deadly is swirling around her life. And now Ali is a target...and marked for death.

Meet at Marie Callender’s restaurant at 9829 S. La Serna Drive, Whittier (near Whittier Blvd.) in the library room.
