Our first meeting of the year will feature Karen Marie Romero, a third-year student at Whittier College, whom our branch sponsored to attend the NCCWSL (National Conference of College Women Student Leaders) in Maryland this summer. The skills I've gained from NCCWSL will enhance my experience and presence in the classroom, my professional endeavors, and my personal life as a reminder and compass of the guidance and support with which I've been blessed."

Come and hear more about this remarkable young woman and her plans for the future!

Branch

Greetings! Hope you all had a wonderful summer and are ready to “Fire up for AAUW”. Dolores Seidman and her program committee have planned some exciting Mission Based Programs. Our first meeting will feature Karen Romero and what she learned at the National Conference for College Women Student Leaders (NCCWSL) this summer at the University of Maryland College Park. Our branch is committed to support Karen and her plans to involve the students at Whittier College.

I'm pleased to announce that the Board and the Myra Long Scholarship Fund Committee has decided to participate in Tech Trek again this year. Kay Clark and I will be the Tech Trek Coordinators for the branch. We are looking for 2-3 branch members to be on the Tech Trek Selection Committee. This is a wonderful opportunity for you to volunteer your time to help select the campers. Not to worry; you will be trained to be on the committee. Susan Negrete and Alice Hill are the new State Tech Trek Co-Coordinators. Both Susan and Alice have 10-15 years of Tech Trek experience as dorm moms, Branch Coordinators, and/or Tech Trek committee members.

I look forward to working with you this year to make our Branch the best it can be.

AAUW FUND

Welcome, Ladies, to the commencement of another AAUW year. We are certainly looking forward to an eventful year because 2020 is the 100th year anniversary of the women's right to vote. We, of course, have come a long way yet still have a way to go.

In the State AAUW newsletter, the *CALIFORNIA PERSPECTIVE*, our Branch, Greater Whittier Area was recognized for mission-based programs - our **26th Annual Math/Science Conference for 8th Grade Girls**. You know we hosted 369 girls from 26 middle schools along with 26 advisors. All thanks to Sharon Heck and her staff of assistants. That conference appeared to run seamlessly. I so enjoyed my small part in it. Maybe you would care to join us next January for the next conference. A great experience for the girls and us, their hosts.

I would like our Branch to be recognized next year in the AAUW state newsletter for another reason - being one of the top Branches to donate to the AAUW Fund (either in the area of total contributions or *per capita* contributions). There are Branches all around us who do just that. For instance, Long Beach was noted in the list of total contributions and La Palma-Cerritos, a Branch smaller than ours, was cited in the *per capita* contribution list. Let's find our way on to one of either of those lists next year. **WE CAN DO IT!** You can donate online at the AAUW website or I will have envelopes available at the September and every AAUW meeting this coming year!

SUNDAY, OCTOBER 27 is the date of our region's AAUW FUND LUNCHEON at the Seal Beach Old Ranch Country Club. Mark your calendars for an inspiring afternoon of listening to some of the California **AAUW Fellows for 2019/2020**. And not just that but arrive early and get to know other AAUW members from the Branches in the region. Really awesome! There will be more details to follow soon.

AAUW Fund Vice President

IMPORTANT NOTICE

Printed Branch Newsletter Fee

Printing and mailing our GWA AAUW Newsletter each month involves cost for paper and postage. If a member has e-mail and simply prefers to receive a copy through the mail, there will be a \$10.00 fee for the year. If the member does not have e-mail, there will be no charge. For those with e-mail, please give your \$10.00 payment to our treasurer, Kay Clark. Be sure to tell her it is payment for the mailed newsletters. Thank you for following through on this important reimbursement for a special service provided to some of our members.

MEMBERSHIP

MEMBERSHIP HAS MANY MARVELOUS MEANINGS

We are surely looking forward to our first ‘kickoff ‘ GWA-AAUW meeting on Saturday, September 14th. We will be celebrating new members as well as members who reach special years of membership this year. It’s important for us to remember that all of us are responsible for growing our membership. Talk about GWA-AAW with your friends, acquaintances, and new people you meet. Encourage them to attend a branch meeting with you, or a section meeting (non-members may attend a section meeting three times before being required to join). Give them a small snippet of who we are and what we do. Currently we have 141 members, some of whom still need to renew their 2019-2020 membership.

Membership with AAUW means you’re part of a community dedicated to changing the climate for women and girls. It also means you have access to some great discounts and special services exclusively offered to members. This year we will be notifying you about some of the many benefits to help you enhance your professional and personal life, and will have you save money along the way! Most important, every time you use one of your benefits, you are also supporting AAUW’s vital work, which is what makes AAUW one of the nation’s most powerful voices on women’s issues. With each purchase, AAUW receives a royalty that is used to support the work we do, including our equal pay advocacy, community programs, leadership development tools, student leadership conference, and so much more!

HOTEL ENGINE

AAUW is proud to partner with Hotel Engine, a private hotel booking platform, to connect affinity organizations and their members to deeply discounted hotel rates.

Top benefits of your complimentary membership include:

- An average savings of 26% off public rates at 150,000+ hotels globally
- No contracts, annual fees, or spending minimums
- 24/7, U.S.-based customer support

CRUISES ONLY

AAUW is pleased to announce several new offerings including cruises! We’ve partnered with America’s largest cruise agency, CruisesOnly, to offer the lowest prices in the industry to AAUW members. In fact, CruisesOnly even backs their prices with the only **110% Best Price Guarantee** in the industry. Shop and compare thousands of cruises from 25 of the world’s top fleets departing from 22 U.S. ports, on over 250 ships! Browse the latest in new promotions and last-minute offers or shop by category – weekend cruises, family cruises, honeymoon cruises, and more. Check out customer reviews and travel tips. Plus, trained cruise consultants are ready to answer your questions, help you choose the right cruise for your needs and even help arrange land excursions.

Our Membership Team looks forward to seeing you at our first branch meeting on September 14th at 11:30 a.m. at the Doubletree Hotel.

Susan Halliday & Pauline Rogers

PUBLIC POLICY

Educators often spend a little time reviewing basics after summer recess. I thought I might do the same. For AAUW members, Public Policy is critical. As our national website states: “AAUW’s policy work connects and rallies advocates at the local, state, national, and global levels to empower women and girls. With the member-voted [Public Policy Priorities](#) as our guide, AAUW uses lobbying and grassroots efforts to push forward policies that break through educational and economic barriers for women.”

As we are approaching the more than year-long upcoming campaign season, we should think carefully about our AAUW priorities and public policy stances, about how important they are to us personally and where they fit in our value system and evaluate all of the candidates on their stances regarding them.

From an AAUW perspective the most important policies fall into four categories: Civil Rights, Education, Economic Security and Title IX. Throughout the year we will explore different issues within those categories. For a start, let’s talk about health care – one of the most critical issues for women. We cannot pursue educational advancement and a better life for our families if we cannot afford basic healthcare for them and ourselves. Here are some interesting statistics from the national website:

The implementation of the ACA (Affordable Healthcare Act) has begun to make significant progress in reducing the number of uninsured Americans.

- In 2009, [50.7 million Americans](#) were uninsured—nearly 17 percent of the nation.
- In 2015, the uninsured rate hit a historic low; only [9.1 percent of Americans](#) remain uninsured.
- The ACA is making progress in reducing ethnic disparities in health care access, with [5.2 percent](#) more young women, [5.1 percent](#) more black women, and [6.5 percent](#) more Hispanic women gaining access to a regular source of care.

I urge you to look at the website and see the particulars of how the Affordable Care Act has impacted women and imagine the consequences of its repeal. Also look at the Medicare and Privatization sections to get a better understanding of why attempts to weaken Medicare and permit privatization through block grants could have potentially draconian impacts on all of us.

Going forward this year, I would like to make this column more interactive. If you have a question or a different point of view, please share it with me and I will do my best to answer your question or concern.

Welcome back and here is to a wonderful 2019/20 AAUW Year.

More MLSF Good News: Our special Myra Long Scholarship Fund Anonymous Angel donated \$20,000 in July to match our many fundraising efforts. The Angel matched our fundraising activities, dollar for dollar, up to \$20,000 for the fiscal year. Thank you to everyone who made this possible. We made the threshold because of your hard work and donations. Thank you for:

- participating in the Dining 4 \$\$\$ events,
- working as docents at the Pasadena Design House,
- donating guilt money when you couldn't work at a docent,
- donating to our annual nonevent fundraiser,
- shopping at Ralph's so we could receive quarterly Ralph's Community Awards,
- donating money in memory of friends we lost this year and
- simply donating money because you are generous.

HOLIDAY BOUTIQUE

Our GWA AAUW Holiday Boutique will be on Saturday, November 9 this year. We moved it from December because so many other activities competed with our Boutique last year. This will be a fun holiday event with entertainment by the New Century Singers.

We will have some holiday items for sale, and we will be doing the “Opportunity Drawings.” It will be completely optional for the sections and individuals to contribute to the drawing prizes. The most popular items for the drawings are wine, chocolates, books, and gift cards. We need your help in collecting gift cards and gift certificates. On the next page of this newsletter there is a letter you need to copy several times. It is to give to your favorite restaurant, movie theater, shop, etc. as you ask them to donate a gift certificate or gift card to our boutique. The letter explains who we are and what we do. It also contains our tax ID number, so their donation becomes tax deductible.

Your gift cards can be given to me or to Pat Dudley. There is an address on the letter so donations can be mailed if they wish.

We will have some silent auction items available, but we will not have any “white elephants” for sale again this year. Please contact me regarding any items you wish to donate to the boutique. My email address is: heck37@verizon.net My phone number is: 562-698-0476.

Please help us collect gift cards, gift certificates, and other items using the letter in this newsletter. We want this to be a fun event that doesn't place a burden for donations from just a few of our members. We are scaling back and might include another “fun” fundraiser during the 2019-2020 year. Do plan to attend our Holiday Boutique and luncheon on Saturday, November 9. Invite your friends!

Los Angeles County Interbranch Council

The LACIC meets bi-monthly – usually the 2nd Sunday of September, November, January and March and the 3rd Sunday of May. These year's program information was sent to the branch via email in mid-August.

On September 8 the program covers the new voting procedures in LA County with a guest from the County Registrar/Recorders office. Changes are in the air-- such as no more assigned polling places. It's so important to vote, and with the coming primary in March, more than ever. Women have fought, protested and suffered to give us the right to vote and changes will not stop us.

You may also want to check out the **SEPTEMBER 18, 2019, NOON-3 PM, THE UNA GLOBAL FORUM LUNCHEON, CA ENDOWMENT**. LACIC is a VIP sponsor for a discussion of *Immigration and Migration: The Global Challenge & the Local Impact*. Visit: unasa.org. If you are interested in attending, please call Ginny Hatfield of the San Fernando Valley branch, 818.970.4577 or ginnyaauw@gmail.com.

Patricia Cuocco serves as Treasurer of the LACIC Steering Committee and Rozanne Child is a Member-At-Large. Either would be delighted to answer any questions about the Council.

MORNING BOOK SEPTEMBER 2019

Welcome to a new year of reading and discussing wonderful books! Our first meeting will be held on Monday, September 23, at 10AM at Gwen Woirhaye's, (Mandy Knight is co-hostess) and we will be discussing *Becoming*, by Michelle Obama. In a life filled with meaning and accomplishment, Michelle Obama has emerged as one of the most iconic and compelling women of our era. As First Lady of the United States of America—the first African American to serve in that role—she helped create the most welcoming and inclusive White House in history, while also establishing herself as a powerful advocate for women and girls in the U.S. and around the world, dramatically changing the ways that families pursue healthier and more active lives, and standing with her husband as he led America through some of its most harrowing moments. Along the way, she showed us a few dance moves, crushed Carpool Karaoke, and raised two down-to-earth daughters under an unforgiving media glare.

In her memoir, a work of deep reflection and mesmerizing storytelling, Michelle Obama invites readers into her world, chronicling the experiences that have shaped her—from her childhood on the South Side of Chicago to her years as an executive balancing the demands of motherhood and work, to her time spent at the world's most famous address. With unerring honesty and lively wit, she describes her triumphs and her disappointments, both public and private, telling her full story as she has lived it—in her own words and on her own terms. Warm, wise, and revelatory, *Becoming* is the deeply personal reckoning of a woman of soul and substance who has steadily defied expectations—and whose story inspires us to do the same. Dolores Seidman will lead us in discussion. Please join us!
