**OCTOBER  
2019**

## BRANCH MEETING

**SATURDAY OCTOBER 12- DOUBLETREE HOTEL  
11:15 AM**

Traditionally, October is the month when GWA-AAUW focuses on a Public Policy issue. We are so very excited to have with us, this month, Dr. Ana Nogales who will talk about Human Trafficking and Sexual Exploitation. Ana Nogales, Ph.D., is a clinical psychologist, founder of Nogales Psychological Counseling, Inc., and Casa de la Familia, which she established in the year 1996 for victims of trauma. She oversees a clinical staff of about thirty bicultural-bilingual mental health professionals and an outreach program for domestic violence and sexual assault delivering services in Los Angeles, Orange, San Bernardino and Riverside Counties.

Dr. Nogales has a prior commitment to be in Santa Ana on the day of our meeting at 1PM, so must leave us by 12:15. In order to accommodate her willingness to go out of her way to be with us, we will have a special schedule.

**PLEASE ARRIVE FOR THE MEETING BY 11:15 AM. HAVE YOUR CHECKS AND/OR CASH READY TO GO, SO AS TO EXPEDITE REGISTRATION. TAKE YOUR SEATS IMMEDIATELY AFTER REGISTRATION. WE WILL START OUR PROGRAM WITH DR. NOGALES PROMPTLY AT 11:30 AM. LUNCH WILL BE SERVED WHEN DR. NOGALES FINISHES HER PROGRAM. WE WILL THEN HAVE AMPLE TIME FOR OUR BRIEF BUSINESS MEETING AND LOTS OF TIME FOR SOCIALIZING OVER LUNCH AND DESSERT. YOUR COOPERATION IS APPRECIATED.**

Looking forward to seeing you all for this exciting program and for networking and socialization time.

# PRESIDENT'S MESSAGE

**Mission: To advance equity for women and girls through research, education and advocacy.**

## Branch

We got off to an amazing start. Karen Romero, our National Conference for College Women Student Leaders (NCCWSL) recipient, gave an enlightened presentation on the impact of (NCCWSL) on her life and how this will guide her through her plans for Whittier College. The Branch Sections all had displays to inform the members of their activities and to encourage members to join. It was emphasized that everyone is welcome to join. Thanks to members in attendance, the Budget for 2019-2020 and the changes in the Standing Rules and Policies were approved. These documents are available to you upon request.

## State

**Janice Lee, Chair Nominations & Elections Committee** [nominating@aauw-ca.org](mailto:nominating@aauw-ca.org)

We are searching for enthusiastic, committed branch members with leadership talent to join AAUW California's State Board in 2020. Secretary and seven state director positions will be open for election in spring 2020. Each will serve a two-year term of office (2020-2022).

Are you, or do you know someone who is ready to join the AAUW California leadership team? You can submit the name of a nominee to [nominating@aauw-ca.org](mailto:nominating@aauw-ca.org) today.

## National

National is reinstating the National AAUW 5 Star Recognition Program which provides an opportunity for every AAUW affiliate - states, branches, chapters and student organizations to be nationally recognized for proven levels of achievement in implementing our strategic plan goals. More information can be found on page 4 of the *Fall California Perspective*. Something to look into, maybe our Math Science Conference?

# AAUW FUND

Finally, Fall has arrived. Enough of the hot weather which is more than enough at times. Now for pumpkins and ghosts and candy treats. Not that any of us like those sorts of things, huh?

Our Branch is underway with the new year of AAUW activities. Do remember **SUNDAY, OCTOBER 27**, is the date of our region's AAUW FUND LUNCHEON at the Seal Beach Old Ranch Country Club. Cost: \$45 per person. Mark your calendars for an inspiring afternoon of listening to some of the California **AAUW Fellows for 2019/2020**. And not just that but arrive early and get to know other AAUW members from the Branches in our region. It's guaranteed you will enjoy this event! Go to the state website, [aauw-ca.org](http://aauw-ca.org), to register for this unique occasion. The deadline to register for this event is Friday, October 11.

Hurrah, Ladies. The Legal Advocacy Fund (LAF) supported a case *Portz v. St Cloud State University* which was decided **in favor** of the female student athletes of that institution. It seems the university wanted to drop the women's tennis team and the women's Nordic ski team. Instead, the judge stated that SCSU had not only to maintain those women's teams but improve the facilities of the women's sports teams to create equity with the men's teams. This judgment was based on compliance with *Title IX* which advocates, among other provisions, against discrimination in women's sports. The judge reminded the university that though the court was mindful of financial difficulties faced by public universities that the school still could implement a cost-savings plan that did not result in discrimination against women.

Needless to say, such progress for women and girls is why we all support and donate to AAUW.

## IMPORTANT NOTICE

- *"October Country . . . that country where it is always turning late in the year. That country where the hills are fog and the rivers are mist; where noons go quickly, dusks and twilights linger, and mid-nights stay. That country composed in the main of cellars, sub-cellars, coal-bins, closets, attics, and pantries faced away from the sun. That country whose people are autumn people, thinking only autumn thoughts. Whose people passing at night on the empty walks sound like rain. . . ."*

## BRANCH FINANCES

We completed our year on June 30. I am happy to report we ended the year with a surplus of funds. Now that the year is ended and the books are closed, the financial records were turned over to the Branch Financial Reviewer. All transactions were examined and verified. Now the records will be turned over to a tax accountant to meet our November 15 deadline. If you have any questions, please feel free to call or email me.

I hope that you all will remember to make your checks payable to "GREATER WHITTIER AREA AAUW" or "GWA AAUW."

Also, please sign up to support GWA AAUW when you shop at Amazon. Yes, there are some hoops to jump through, but the money we receive from Smile.Amazon.com does help! Here's the link to help you sign up: <https://smile.amazon.com/ch/95-4763492>

Our budget was passed by the general membership at the September meeting. Total Income and Expenses are balanced at \$6,341.00. Please note, this number is NOT inclusive of the Myra Long Scholarship Fund income and expenses. If you would like a copy of the budget details for the branch, please contact me [kayclark310@gmail.com](mailto:kayclark310@gmail.com).

## BREAST CANCER AWARENESS

October is National Breast Cancer Awareness Month. Please take note. If you haven't gone for your mammogram and breast exam, what are you waiting for? Your family and friends need you. The National Breast Cancer organization is offering a free guide to knowing symptoms. You can get it for free at <https://www.nationalbreastcancer.org/breast-cancer-awareness-month>. This would be a terrific thing to provide for your younger relatives – not just women – men get breast cancer, too.

# MEMBERSHIP

Our September branch meeting 'Membership table' had a list of our GWA-AAUW members who had 10 – 19 years of membership. It's wonderful to see how many women have kept their membership active during their first decade of membership. Each month we will celebrate a new decade of membership. Be sure to view the decade list each month. We truly have many members with long-term membership, which is a positive statement to GWA-AAUW. Please do note, if you choose not to join for one or more years then decide to rejoin, AAUW National only has the start date for membership as your last joining date. It's important for all of us to keep our membership current, even if we decide not to be too active for a year or so. Don't lose the longevity of your membership.

Currently our membership count is 142. Some members still need to renew for the 2019-2020 year. The membership committee has made many calls and sent emails to those who still need to renew. Please be sure your membership is up to date; you don't want your name dropped from the roster.

We will be introducing our newest members and encouraging everyone to introduce themselves to them. Their information is in the new Membership Directory. Welcome: Valenda Holmer from Rowland Heights, Carol Johnson from La Mirada, Barbara Kuechel from Fullerton, and Linda Oubre from Whittier. Also welcome back reinstated members Virginia Boles and Peggy Fretz. We are delighted to have each of you as GWA-AAUW members.

As promised in the September Newsletter, we want to keep you apprised of your access to some great discounts and special services exclusively offered to members. Please see three more special offers below: LTC Global Insurance; Nationwide Pet Insurance; Collette Tours.

## LTC Global

## GWA-AAUW MEMBERSHIP DIRECTORY

The membership directory is completed and is ready for pickup. Members will be able to pick up their directory at the October and November branch meetings. Be sure to give your name to the person checking out the new packets so the committee knows who has picked up their copy. Please look carefully at your information. If there is information that is incorrect, needs to be deleted, or added, please email Patricia Cuocco at [patricia@fullerton.edu](mailto:patricia@fullerton.edu) or Susan Halliday at [sbathalliday@yahoo.com](mailto:sbathalliday@yahoo.com) so that it can be correct for the 2020-2021 edition. Several members have chosen to have their new membership directory sent to their home at a cost of \$2 for shipping. A very special **thank you to Patricia Cuocco**, who completes the organizing and the in-put of the directory.

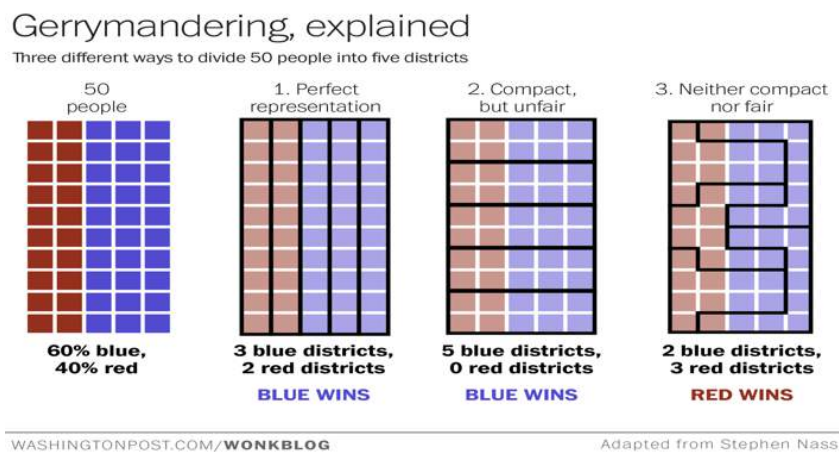

Susan Halliday and Pauline Rogers, VPs Membership.

# PUBLIC POLICY

While we are not having a state or federal election this year, fall brings thoughts of voting and voting, at least to me, brings thoughts of gerrymandering (OK, I admit I am odd.) You could be excused if gerrymandering isn't something you have thought about since the 5<sup>th</sup> Grade. It is probably one of the most complicated issues in electoral politics.

To simplify, gerrymandering involves drawing political boundaries so as to benefit one party over the others. What it does is destroy the notion of “one person, one vote” and is often used to dilute the impact of minority voters.

This image is from the Washington Post (2015) and is the best graphic explanation of gerrymandering that I can find. You can see how various schemes and oddly drawn districts allow a party in power to maintain power despite not having numerical superiority in actual voters.

Every ten years, district lines are redrawn. Gerrymandering perpetuates whichever party is in power by allowing that party to be in charge of the redistricting. California has changed that to put an independent commission in charge of drawing districts. Other states are making similar attempts. A Wisconsin case went all the way to the Supreme Court but was turned back to the lower courts when the SC ruled that the parties contesting the redistricting did not have “standing.” (See, I said it was complex.)

We will let AAUW have the last word. From the national website, “AAUW has long advocated expanding [voting rights](#) and [ensuring equitable political participation](#) and [representation](#). But poorly drawn or purposefully unfair electoral district lines can threaten these ideals. With the 2020 census looming, many advocates, legislators, and judges are taking a hard look at their electoral district boundaries.”

Pay attention. Take action when needed and keep supporting the notion of “one person, one vote.” Oh, did I hear someone mention that something like 21 states whose combined population is not as large as California, have 42 senators while California has 2? Talk about a complex issue! Maybe we will tackle that later on.

Please share with me your thoughts for subjects we should explore or your point of view on the issues or any questions about policy.

Patricia Cuocco  
Public Policy Chair
