CARING FOR THE EARTH: WOMEN AND ENVIRONMENTAL STEWARDSHIP

Presented by Carol Kravetz, Speaker Trainer Chair Los Angeles Chapter of Climate Reality Project

Carol 'Ck' Kravetz is a dynamic speaker who will tell us how and why we are addicted to fossil fuels, the extreme weather events that continue to affect us and those all around our Earth, the women scientists who have contributed to the conversation along the way, and the Citizens Climate Lobby solution that will begin to move us toward a fossil free environment.

There is no more important issue on the table than the climate emergency. Everything is or will be affected by it. As AAUW trains the next generation of young women in science, technology, engineering and math, we must ensure that their future is stable and healthful. This is the perfect opportunity to be mentors and steer these young people to a brighter, cleaner environment.

Dolores Seidman, Program V.P.

PRESIDENT'S MESSAGE

Mission: To advance equity for women and girls through research, education and advocacy.

Greetings! Hope you and your family had a Happy Valentine's Day. February has been a great month for holidays and celebrations including Black History Month and the birthdays of Washington, Lincoln, and Martin Luther King.

Branch:

National Conference for College Women Student Leaders (NCCWSL) – Interviews were held on Monday, February 10, 2020 and the interview panel chose two outstanding candidates to send to the University of Maryland College Park. Sophia Arroyo, a sophomore majoring in Social Work and Spanish, and Sumitra Ariel, a junior majoring in Political Science, will be attending NCCWSL this Spring. Thanks to the Myra Long Scholarship Fund and members who donate to the fund. Expenses cover the costs of registration, airfare, one-night hotel stays, and a small stipend to cover incidentals.

We had a very successful Math/Science Conference on January 29, 2020 at Whittier College. I'm sure it made a difference in the lives of those young girls. Thanks to Sharon and her committee for a job well done. In addition, thanks to the many volunteers who helped on that day and the packet party who assembled all the materials for the students. I'm sure Sharon will share more details about the Math/Science Conference in this newsletter.

LACIC is throwing a Tea Party on Sunday, March 8, 2020 from 2-4 at the Women's City Club, 160 N. Oakland Ave., Pasadena. We're celebrating the 100th anniversary of the passage of the 19th amendment. Dress up in white suffragist colors and by all means wear a hat! Reservations are \$30 made payable to LACIC and sent to Ginny Hatfield 11579 Hesby Street Valley Village, CA 91601 by March 4th. Hope to see you there. Please check for more information in this newsletter.

Nominations - We are still looking for President- Elect, and Program Vice-President. Think of your ideas, interests, talents, and what you could contribute to our branch. If interested or know someone who is interested, please contact me at rchild44@gmail.com. Thank you.

State:

AAUW State Convention April 17-19, 2020 REMEMBERING THE PAST ROCKIN' THE FUTURE at the Westin San Francisco Airport. You may register online at www.aauw-ca.org or by mail; see insert on page 19 and 20 in your California Perspective. The deadline for registration is April 10th.

PUBLIC POLICY

Just as I was thinking about a topic for this month's Public Policy article, an email arrived from AAUW Executive Officer, Kim Churches, on the topic of the Equal Rights Amendment. If you recall, I wrote about this a few months ago. Kim's note was dated 2/13/20 and stated:

Yesterday I had the honor of joining Speaker Nancy Pelosi and other distinguished members of Congress to call for the full ratification of the Equal Rights Amendment. With the powerful work of our members in Nevada, Illinois and Virginia over the last few years, we've reached the tipping point – 38 states have ratified the ERA! Now it's time for Congress to act and lift the deadline for ratification.

Today, the full House of Representatives will vote to lift the arbitrary deadline to ratify the ERA. Your representative needs to hear from you. [Urge them to vote YES on H.J. Resolution 79.](#)

The text of the ERA is simple: "Equality of rights under the law shall not be denied or abridged by the United States or by any state on account of sex."

But the impact would be enormous: The ERA would clarify that sex discrimination – whether in employment, health insurance, Social Security, education, or elsewhere – is a violation of our constitutional rights as Americans.

Women in the United States won't wait any longer for the ERA to be fully ratified. We must act now. Tell your representative to vote YES on H.J. Resolution 79.

Well, they did, and the bill passed along a mostly party line vote. Now it is in the hands of the Senate and it will NOT be easy. Senate Majority Leader McConnell is not a supporter and even Ruth Bader Ginsburg thinks we should start from scratch. Her reasoning is along the lines of if states are allowed to approve after the deadline, what about States who want to rescind their approval (there are five: Kentucky, Nebraska, Tennessee, South Dakota and Idaho).

Additionally, there is rumbling that this will get tied up in the abortion debate. Conservatives fear that the ERA would enshrine abortion rights in the Constitution, though how, exactly is not clear. To quote Bette Davis in *All About Eve*, "Fasten your seat belts. It's going to be a bumpy ride."

I know most of us are at an age where we thought we had fought the battles for our daughters and granddaughters. Apparently not. I don't know about you, but I'm getting tired of fighting the same wars. I'll keep you posted on the progress.

Patricia Cuocco
Public Policy Chair

AAUW FUND

Welcome, Ladies, to the “luckiest” month of the year. This month of March we celebrate St. Patrick’s Day! Isn’t that the day we all feel a wee bit Irish! 🍀🍀🍀

Two other special days occur in March: (1) Daylight Savings time commences on Sunday, March 8. Whoopee do! We have an extra hour of sunlight at the end of the day! 😊 (2) spring begins on March 19, the very day the swallows are due back at Mission San Juan Capistrano! 🌸

In the California legislative session for 2019, AAUW demonstrated it has significant clout because of your support. Such bills that affected women’s issues that were passed were: AB(Assembly Bill) 9, 51, 170, 218, 381, 443, 543, 749, 809 and 922. Then there was SB (Senate Bill) 24 and 142, totaling 12 bills altogether. Now that is a lot of legislation to solicit support for and then to carefully and persistently follow through the legislative processes. It’s somewhat like attentively following a pregnancy. And that was done for each of the bills listed above. Quite a task! And this accomplishment was all thanks to the AAUW California Public Policy Commission along with our Legislative Advocate, Shannon Smith-Crowley, and again your support!

However, SB 171 that would have required payroll data to be broken down by gender, race, ethnicity and job category with this information being reported to state agencies is to be continued into the next legislative session. That is a way of saving a bill by making it a two-year bill. This is an important bill as it will allow state agencies to note patterns of wage disparities, thus allowing enforcement of California’s equal pay laws.

Another two-year bill is SB 493 which would have commenced a process for higher education institutions to prevent, respond and investigate sexual harassment claims along with implementing procedural protections. This bill also requires the instruction for employees engaged in the grievance processes to be aware of trauma-informed best practices as well as being trained on implicit bias.

Together we are a “mighty” force advocating for women’s issues!

Pauline Rogers
AAUW Fund VP

FEBRUARY 2020 Program Follow-Up

At our February branch meeting, we heard from Bethany Wong, an AAUW Fellow who now is a Professor at Whittier College. She spoke of how much her fellowship which is sponsored by AAUW Fund meant to her in helping her be able to complete her Ph.D. at UC Santa Barbara. Hopefully many of our members will hear that message and be encouraged to contribute.

Her message was about student life, Jane Austen, and the good that AAUW does in supporting education. I was particularly impressed with these words which she shared with me for the newsletter:

“At its best, literature is an invitation to try on new personas, to learn to sympathize with others, and to feel safe enough to discover your own voice....The project of literature and of teaching is one of restoration—to make amends, to make things right, and to bring back light and life. With your help, new generations can play with ideas. Thank you for being a part of the vision for co-authoring a larger and longer story about what women need to succeed in higher education.” Bethany Wong

MATH/SCIENCE CONFERENCE FOR 8TH GRADE GIRLS

Whittier College was again the site of our 27th Math/Science Conference for 8th Grade Girls. We welcomed 372 students and 28 advisers to Shannon Center at 9:15 AM, on January 29, 2020. AAUW Branch President Rozanne Child oriented the attendees, and Eva Sevcikova, Vice President for Development for Whittier College, gave the keynote presentation.

The students and advisers were then given a snack on the way to the first of their three workshops. They heard six steam (science, technology, engineering, art, and mathematics) women in varied careers. The attendees then returned to their schools at 12:45 PM.

I want to thank the many branch member volunteers who helped make the conference such a success. It does take a team to have a conference run so smoothly. I am very grateful for your assistance. Our speakers are all volunteers also, and I did send thank you notes by snail mail to each of them.

The students and advisers are asked to complete an evaluation form which is collected at the end of the third workshop. There is a rating scale for each speaker and space for comments at the bottom of the page. Several students commented on their favorite speaker. Here is an example. "Every session was very interesting to learn about. My most favorite was Dr. Willner because I want to become a Midwife." Others were more general. "All the topics were interesting and I appreciate the amount of effort each presenter put in their lecture." "I enjoyed all the lectures so much! I learned so much and am so grateful for the chance to participate in this amazing conference!" This comment was sweet. "Encouraged me to pursue my future dreams." She then drew a small heart.

A very nice note was written by an 8th grade mathematics teacher from Granada Middle School, Mini Bajwa. "Thank you for giving girls this wonderful opportunity. It was during one of these conferences where my daughter, Alisha Bajwa, discovered a passion for science and medicine. Alisha is in her second year of residency at UCSF (Pediatrics)."

We can and do make a difference in the lives of women and girls.

Sharon Heck, Chair

MATH SCIENCE VOLUNTEERS

Many thanks to our volunteers who staffed the Math Science Conference for 8th Grade Girls on Wednesday, January 29, at Whittier College. Under the able leadership of Sharon Heck, they helped to welcome the participants, “shepherd” the 372 girls who attended, and serve as moderators at the ten workshops. Many also helped at the “Packet Party” the week before at which they assembled the packets given to each student. All agreed that this event is a highlight of our AAUW year!

MEMBERSHIP

Membership - Our Job

Please be sure to stop by the Membership Table at our March branch meeting to acknowledge our members' longevity. You are encouraged to pick up a brochure to give to potential new members. Our membership is growing, which enriches our brand and allows us to provide more opportunities for women and girls. If you have not picked up a yearbook directory, please do so. We do have a few extras in case you would like a second one. When disposing of an old yearbook, it is important to shred it, as the addresses and phone numbers are private.

Please see the GWA-AAUW Membership Questionnaire on the next page. If you filled out one five years ago, we have it on file. You only need to provide new information. If you have never filled out the questionnaire, please do so to the best of your ability. If you are not sure of the years, you might remember the president under whom you served, or provide approximate year(s). The Membership Committee will collect these at the branch meeting, or you can email it to one of us.

Listed below are some great discounts and services which come with your membership:

IE University (Instituto de Empresa): Through this partnership, IE will provide a wide variety of scholarships to women pursuing educational opportunities at IE. Many of these will be targeted towards the School of Human Science and Technology and specifically encourages women to pursue professional trajectories in STEM. This scholarship program is valid for IE Master's and MBA programs indicated online (aauw.org) during the 2019-2020 academic year. It consists of 10 scholarships that cover between 20% and 25% of tuition. See Reinventing Higher Education (ie.edu).

Office Depot and Office Max: AAUW members can save up to 80% on over 93,000 products at Office Depot/Office Max. This is great for your printing, cleaning and office needs. Shop online and receive free, next-day delivery with orders of \$50 or more. To shop online or to print a Free Store Purchasing card, go to aauw.org, click on Membership; scroll to Benefits for AAUW Members and see the Office Depot/Office Max Discount information. Click where highlighted.

RX Prescription Information: AAUW members can receive a FREE card to start saving up to 55% on prescription drugs. The card has no fees and will never expire. One card covers an entire household, including pets. It is accepted at 9/10 pharmacies. For more information, call toll-free 1-800-931-8872.

THE SPOTLIGHT

SPOTLIGHT ON:

Vicki Marshall has been home recovering from her broken hip since mid-February. According to daughter Gerri, she is learning to use a walker and zipping through the house. She is going back to water aerobics in early March. Can you spell, REMARKABLE!

Yvette Rawlinson is recuperating well from a recent medical procedure and would love cards. Stay strong, Yvette.

Lorayne Horka has a new email address: horkalorayne@gmail.com.

Throughout the month, as you learn about things, send me an email – patricia@fullerton.edu. Don't worry about format or making it into a Word doc. I will keep items in a file and publish them. The only thing you **MUST concern yourself with is getting permission to share the information from the person involved (or family)**. This is very important, since we are not in the business of violating anyone's privacy.

MYRA LONG SCHOLARSHIP FUND

This is the time of year when the Myra Long Scholarship Fund (MLSF) has its annual nonevent fundraiser. You should have received a goldenrod envelope at the February branch meeting or in the mail. (It's really bright, so you can't miss it!) Once again, our anonymous angel has pledged to match contributions, dollar for dollar, up to \$20,000! So please get your checkbook out and send a donation this year. All contributions are tax deductible!

Your contributions

- fund the annual Math Science Conference for 8th grade girls,
- send middle school girls to Tech Trek Camp
- give scholarships to community college women graduates who are enrolled in 4-year baccalaureate programs at colleges and universities, and
- send young women to AAUW's National Conference for College Women Student Leaders.

Help us support these wonderful activities with your generous contribution to MLSF!

DINING FOR \$\$\$\$

Black Angus Restaurant
Wednesday, March 25 - 11AM To 9PM

We know you will love the next Myra Long Scholarship fundraiser event, if you enjoy seafood, prime rib or juicy steaks. Black Angus, located at 15500 Whittier Blvd. in the Whittwood Town Center, has it all. Well known for their delicious dinners, Black Angus has an extensive lunch menu too. Lunch is served from 11AM until 3PM. Their corporate offices will provide colorful flyers for us to use and present when dining on March 25 so that 20% of your bill goes directly to The Myra Long Scholarship Fund.

Black Angus is currently making flyers especially for us and they will be available soon. **You will not find flyers in today's newsletter.** As soon as they have been sent to our branch, **they will be distributed to you in a separate AAUW email.** Also, look for them at **First Friday** as well as at our **March branch meeting.** If you do not have email, and want a flyer, please call **Carole Duff on (562) 945-9145.**

Thanks to your participation, our first Black Angus fundraiser last year was a great success. We look forward to another successful fundraiser. So, please mark your calendars now and invite your family or friends to a wonderful meal. Black Angus has become a very popular venue in Whittier so, as a suggestion, making a reservation is a great way to avoid any extensive wait. **To make a reservation, you can go online to their Black Angus Whittier website or call them directly at (562) 947-2200.**

MARCH MISCELLANY

March is Women's History Month and Irish American Heritage Month.

As far as health concerns, March is Colon Cancer Awareness Month. Have you had your colonoscopy yet? This is serious business.

“March came in that winter like the meekest and mildest of lambs, bringing days that were crisp and golden and tingling, each followed by a frosty pink twilight which gradually lost itself in an elfland of moonshine.”

— L. M. Montgomery, *Anne of the Island*

INTERNATIONAL CONCERNS

Our next International Concerns meeting will be on Thursday, March 19, 2020 at 10:00 AM. We will be meeting at the home of Louise Holden, 16356 Prudencia Dr., Whittier, CA 90603. If you need directions to her home, please call Louise. 562-947-6412

In March we will be discussing Chapter 2, India and Pakistan of the 2020 *Great Decisions* book. Sheila Hartfield will lead the discussion. The video for Chapter 3 – “Red Sea Security” - will be shown.

All branch members are welcome to attend the meeting.

A Pedigree to Die For by Laurien Berenson

Reviewed by Maurine Behrens

This book is the author's first Melanie Travis mystery. Here is a quote from *Publisher's Weekly* about this novel. This book is "a bonanza for dog fanciers...a likeable heroine in a smoothly paced mystery."

Members should begin sending me by email the names of books nominated for next year, so I can prepare a ballot for our May meeting. Remember, nominees should be mystery books that are first in a series of books.

We will meet at Mimi's Restaurant at 15436 E. Whittier Blvd, Whittier (in Whittwood) at 6:30 PM.

MORNING BOOK

We will be reading and discussing the much lauded *The Library Book*, by Susan Orlean on Monday, March 23. We will meet at Marian Locke's home at 10AM; Lynda Richardson will provide refreshments, and Linda Harris will lead our discussion.

Weaving her lifelong love of books and reading into an investigation of the 1986 Los Angeles Public Library fire, Susan Orlean delivers a mesmerizing and uniquely compelling book that manages to tell the broader story of libraries and librarians in a way that has never been done before. Her topics include the evolution of libraries and the role they play in our lives, studies of arson and her own attempt to burn a book, and a cast of characters whose lives have been intertwined with that of the LAPL.

As a special treat, we will have Sue Hodson, former literary manuscripts curator at the Huntington Library who helped with the clean-up after the fire, join us in discussion and will add much to the morning. This should be a wonderful meeting! Please let both Marian and Lynda know if you will be attending as that helps in preparation.

Directions to Marian's house: 15555 La Monde St., Hacienda Heights 91745; 626-336-3430;

Colima Rd. north to Hacienda Blvd.; left on Hacienda, left on Newton, left on Joan to La Monde; right on La Monde; 15555 is on corner with blue shutters.
